

About Us

Based in regional South Australia, Country Home Services knows how much you value living your life your way.

Formerly known as CHAP, Country Home Services has been assisting country people to remain in the communities they love for over 30 years. We strive to support our customers to live an independent life in the home that they love while doing the activities that keeps them connected to their community.

Delivering customized services to communities north of Adelaide, including the Clare Valley, Yorke Peninsula, Wakefield Plains, Mid-North, Gawler and the Barossa Valley—our skilled and empathetic workforce love discovering unique ways to make our customer's experiences positive and life affirming.

From Valley to Coast, our services aim to support you.

Our clients tell us...

Life changes. This doesn't mean you need to stop doing the things you love doing. Our clients tell us that being independent, in the home and community that they love is what makes life meaningful.

At Country Home Services we all understand this and this is why we offer services that support you to remain independent in the way that you want.

Services that provide tailored, flexible solutions to suit your unique lifestyle.

Commonwealth Home Support Program

A place to start

The Commonwealth Home Support Program (CHSP) provides once off and ongoing services to help you when you only need a little support to remain independent in your life.

They are designed to be entry level, not complex.

These services might include Cleaning, Home Maintenance, Personal Care, Social Support or Home Modifications.

Home Care Packages

Tailored, flexible solutions to support your unique lifestyle

Our Home Care Packages are delivered in a manner we would want for ourselves and our own family members. We search for what can be done, not what can't be done. This helps us to offer a unique package that suits your lifestyle.

From your first enquiry through to choosing your own Package of services, our highly skilled and committed coordinators will help you to get the most out of your Package by designing it your way to support your unique lifestyle.

Home Care Package Extras

When you sign with Country Home Services, you will be eligible to access the following Home Care Package bonus offers:

- 1 free Home Safety Assessment conducted by a Occupational Therapist valued at \$450.
- A flexible approach to your contribution of the basic daily fee.

What our clients have to say:

"Mum and the family are extremely happy with the service, it gives us peace of mind and it is doing wonders for Mum's mental health."

"We know if we want anything you're just a phone call away and everyone we've had dealings with at Country Home Services have been very helpful."

"I can assure you that the people that look after me are very considerate, well mannered and I have no complaints whatsoever. I feel very well cared for."

"I think it's a great service and customises to the clients needs. I'm very happy with the services Mum has."

"I couldn't ask for better, very happy with the people you send me, the whole service. Mary is so helpful too."

"It's early days but I believe the services will suit Mum. She likes to keep active but this helps her out with the heavier jobs. She's been very open to the services as she knows it will help her to stay in her home."
